Please ensure Game Details is marked Public in your [Steam Profile Privacy Settings](#).
 No information will be found if your settings are set to Private or Friends Only.

While your profile is added, you will be automatically redirected. Do not close or navigate away from the page. When the operation is complete, you will be returned to the home page.

Note: Depending on the number of games tied to your account, adding the games and achievements may take several minutes. Please be patient and leave the page open.

Using the service:

Tracking Achievements:

After your profile has been linked, your games will now appear in the list on the home page. At the top you can see your ratio of completed achievements for every game tied to your profile. Clicking Xbox or Steam will drop down the list and show you achievement ratios for each game as well as the box art and developer.

Xbox		Achievements: 28 / 285	
	Name	Achievements	Developer
	Fable III	1 / 60	Microsoft Game Studios
	Fallout 3	23 / 72	Bethesda Game Studios

Clicking the box art or game title will navigate you to the game's page. Here you can see more information about the game as well as the individual achievements.

Fallout 3

In addition to the achievement's name and image you will also be given a description of what needs to be done to complete each achievement. To the right, you can see which achievements have been earned and the date they were earned (when available).

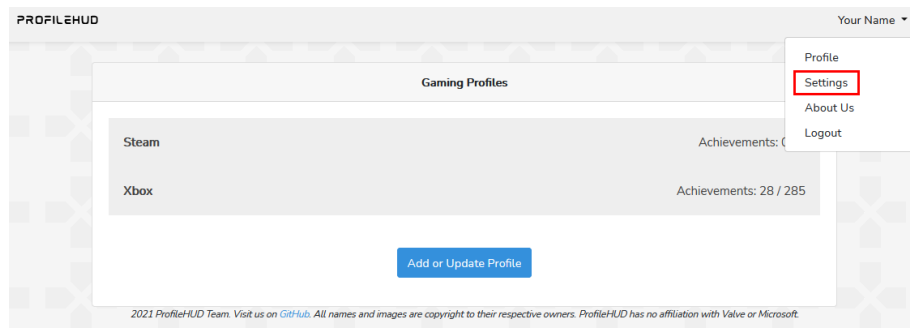

Updating your profiles:

When you would like to update your profile on our site, navigate back to the home page and click Add or Update Profile. You will now be greeted with an Update button instead of a Link Profile button. Clicking this button will complete the process of updating your game and achievement lists.

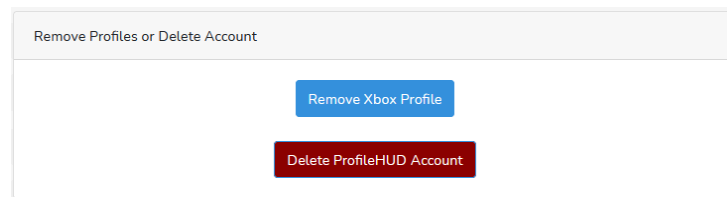

Removing profiles:

To remove a profile from ProfileHUD, click your name in the top right and click Settings.

Here you will have the options to remove any linked profiles or delete your ProfileHUD account. Deleting your account will also remove any linked profiles.

Recovering Lost Password:

If you have forgotten your password, click the Forgot Your Password? link on the login page. On the next page, enter the email address associated with your account. You will receive an email containing a link which will redirect you to the password reset page. Enter a new password and login normally.
